5. Website / Social Media

Lots of views through facebook and class website BUT...

Needs content supplied:-

Race / Regatta Reports – not only national and J24 only events – round the island / local racing roundup / Articles / Owners Info / Tips and Advice / Photo's etc – if no one supplies information then website will become obsolete – Class captains please push from within your fleet

Facebook page now has approximately ??520?? members and is proving to be a good way to keep social chat going and an appropriate forum for those wishing to chat / banter. Has attracted interest from other NJCAs and helps the greater J24 community

Nominating the 3rd boat in a regatta to do the report has worked so far for the last few seasons and should be continued (VOTE?)
