

HYDE SAILS - BUILDING A ONE DESIGN REPUTATION AND STANDARD

Hyde Sails is an established sailmaking manufacturer within the Keelboat and Yacht Sail Industry which has been listening, working and building up close relationships with our customers.

Our Designs have been developed from our Olympic and Dinghy experience from which Hyde Sails have earned their One Design reputation. Hyde Sails prides itself on producing high quality identical One Design Products, giving you, the customer, the very best in technical support and service.

As you will see from the brief list below Hyde Sails have yet again dominated the J24 results during the 2003 season.

J24 Nationals 1st, 3rd, 4th
Southern Area Championships 1st
Westerly National Championship 1st
Autumn Cup 1st and 3rd
Spi Quest 1st and 2nd
French Nationals 1st and 2nd
Floral Cup 2nd

Hyde Sails is committed to offering our customers technical support through the J24 Poole website. This has been designed so that we can answer any of your questions about the sails and help with boat tuning tips.

Technical support from Paul Austin.

Paul started working for Hyde Sails 10 year ago within Production as a Sail Maker when Hyde Sails launched into the keelboat / yacht market. Paul now fulfils the role as Salesman at our Deacons Boatyard Office on the South Coast. During Paul's time at Hyde Sails he sails racing yachts in RORC, JOG and EAORA and many One Design Classes including 1720's, J24's, Melges 24 and Squibs. As well as his role selling sails he is here to provide technical support and knowledge to customers, helping them with cruising, racing and One design problems and questions.

Rig Tuning Support from Richard Lovering

Richard started working for Hyde Sails 5 years ago within Production as a Sail Maker, gaining invaluable experience through his Dinghy racing background. Richard sailed in all the 2-man Olympic dinghy classes, B14's ,RS800 and International 14's. Richard has now taken up the challenge of looking after the Keelboat and Yacht Classes with great success, as well as, fulfilling the position of Sail Designer for Hyde Sails at our Deacons Boatyard Office on the South Coast.
